CRUISE ON THE HISTORIC

ST. JOHNS RIVER

The Rivership Barbara-Lee is the only authentic stern-wheeler sailing the St. Johns River. Measuring 105 feet from stern to stern, the ship was built in 1986 and was extensively refurbished prior to its inaugural St. Johns river cruise in 2012. Featuring ornate wrought iron railings and massive wooden paddle wheels, the Barbara-Lee recalls the elegance of the steamers that once plied the St. Johns River between Jacksonville and Sanford.

The Barbara-Lee has five decks, all enclosed decks are climate-controlled with air conditioning and heating. Your cruise includes live entertainment and a multi-course meal consisting of appetizers, salad, entrée, dessert, coffee and iced tea. During the tour, our cruise guide will point out wildlife, areas of interest and share the history of steamships that sailed the St. Johns River.
