

Love Is in the Air is an album of love songs that captures the intense romance of that moment at a wedding when the newly married couple come together for their first dance, and their shared hopes and dreams become reality as they begin their lives together.

The Ten Tenors have headlined more than 2,000 concerts around the world, sold more than 3.5 million concert tickets and become renowned for their dynamic, choreographed performances and skillful ability to seamlessly transition from operatic arias to soulful ballads through to chart-topping pop and rock songs.

We hope Love Is in the Air brings joy, presents an opportunity to reminisce and reflect, or to dream of what lies ahead.
