

SUNSET CRUISE

Sit back and relax as we take in the breathtaking vivid colors of the western sky.

Lights on Tampa: Aqua Luces

The program is aiming to permanently light nine bridges in downtown Tampa. Five bridges are complete, with four more on the way. The best way to see the lights is by boat, which provides a unique up-close view of the lights from under the structures. They constantly change color throughout the night, making this an ever-changing spectacle.
