

SARASOTA

SAT - NOV 9

The Sarasota Chalk Festival

Chalk Festival is not just about art on pavements; it's a canvas for cultivating community, nurturing mental well-being, and sparking innovation. For its 18th iteration, the Festival will bring for the first time to the United States multiple delegations of “Infiolata” and “Rangoli” artists together. These artists create carpets using flowers, sand, and other natural materials in an act of devotion. Dubbed “Floralia Infiolata,” this exhibition will represent an important moment of cultural exchange introducing North American art lovers to these centuries-old artistic traditions.
