

Meet the Gypsy Vanner horses in person and learn about the history of the breed from its discovery in Great Britain to its growth in the United States. Seeking a horse with the strength and build to pull their caravans. The Gypsies carefully bred their ideal horse, relying on the Shire and Clydesdale for their size and strength, then incorporating the Dales pony and the Fell pony into the bloodlines.

2 hour farm tour starts with an informative lecture that provides an introduction to the breed and it's history, and walking guided tour of the farm where you meet the animals that call Gypsy Gold home.
