

On a quest to answer the age old question, “What do women want?” Robert Dubac seamlessly transforms himself into five hysterical boneheads who each offer sidesplitting advice on how to straddle the gender gam—all while drinking a beer.

Men and women from eighteen to eighty laugh non-stop as THE MALE INTELLECT nudges the battle of the sexes towards a humorous détente with everyone lovingly elbowing each other in the end with laughter and recognition.

The Male Intellect accomplishes it’s twin goals, which are to entertain you a lot, and make you think a little.
