

## **The Jungle Prada Tour** **A St. Petersburg Landmark**

**The Jungle Prada Tour is a historian-led guided tour of a pre-historic Tocobag village site, including the best-preserved American Indian mound in Tampa Bay. Located on the shores of beautiful Boca Ciega Bay, the privately-owned Anderson Mound has been livingly preserved by the Anderson family for over 80 years. You'll meet peacocks (residents of the Jungle Prada Site since the 1950's) discover native plants used by the Tocobaga people, and explore a side of St. Peterburg, Florida you never knew existed!**
