The Simon & Garfunkel Story is the immersive concert-style theater show that chronicles the amazing journey shared by the folk-rock duo, Paul Simon and Art Garfunkel, using huge projection photos and original film footage. It tells the story from their humble beginnings as Tom & Jerry to their success as one of the best-selling music groups of the '60's and their dramatic split in 1970. It culminates with the famous "The Concert in Central Park" reunion in 1981.
